

***Gavin Stamp Archive (GS)***

This archive collection has not yet been catalogued and the material remains unsorted and in its original order. File titles listed were those assigned by Stamp. The material is arranged in 21 bankers' boxes and box numbers have been allocated by the Centre, as have the descriptions of the sequences of material.

The material in this archive comprises correspondence, images, articles, research notes, photocopies of published & unpublished material.

If you wish to consult any items from this collection, please specify the box number and file title (where applicable). Please note that it is only possible to request 10 files per retrieval. Access will be provided in accordance with the Data Protection Act, 1998.
